SEND APPLICATION TO:

Department of Finance
Attn: JoLynn Sanchez
Human Resources
915 L Street, Suite 1235
Sacramento, CA 95814

WHO MAY APPLY:

Current state employees at the levels, those within transfer range, or individuals who have list eligibility. Please indicate the basis of your eligibility (i.e. SROA, surplus, reemployment, reinstatement, transfer, or list eligible) in the explanation section of the application.

Applications will be screened and only the most qualified will be scheduled for interviews. All appointments are subject to applicable personnel rules.

HOW TO APPLY:

To be considered, applicants must submit a State of California application (Examination and/or Employment Application, Std. 678).

POSITION DESCRIPTION:

Seeking a self-motivated programmer to be part of a team that will develop and maintain complex budget related applications. You will be working with modern Apple technologies and best Open Source Tools to design and deploy new Java web-based applications and maintain existing systems. Our main development environment is based on Eclipse IDE with Tomcat deployment on Mac OS X and Linux Servers, but we also develop and support AppleScript applications to automate publications design workflow. We offer flexible alternate workweek schedules with occasional overtime, and a very congenial, fast-paced environment.

SCREENING CRITERIA:

- Experience in all areas of the Software Development Life Cycle
- Experience in web based software development
- Working knowledge of Mac OS X and Linux operating systems

DESIRABLE QUALIFICATIONS:

- Ability to analyze user requirements and develop detailed program specifications
- Ability to write new and modify existing programs using Java Programming Language
- Ability to deploy code and verify implementation on Web Application Servers
- Experience working with relational databases
- Ability to communicate clearly and effectively, both verbally and in writing
- Ability to work productively with users, both independently and in a team environment

Issue Date: December 9, 2016
